

CERTIFICATE

The company

Stanley and Stella S.A.
Boulevard Louis Schmidt 3/2
1040 Brussels, BELGIUM

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report **183**

for the following articles:

Knitted garments (T-shirts, polos, tank tops, sweat shirts, hooded sweater, hooded zip sweater, pants, shorts, dresses) made of 100% cotton, 100% organic cotton, 100% modal, 100% linen and blends of cotton or organic cotton with polyester, modal, elastane or Tencel – Denim shirts, jackets, windbreakers and body warmers made of 100% recycled polyester woven fabrics – in different colours (including mélange) – Including accessories: sewing threads, woven and printed labels, polyester buttons, metal eyelets, zippers, drawcords – All based on STANDARD 100 by OEKO-TEX® certified materials

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Appendix 4, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Appendix 4 for products with direct contact to skin.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.), the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass) and of the Chinese standard GB 18401:2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

The certificate 1112055 is valid until 31.12.2019

Zwijnaarde, 28.01.2019

A handwritten signature in black ink, appearing to read 'Stijn Devaere', is written over a light grey circular watermark.
